

## QUOTATION ABOUT THESIS

*Thesis Quotes from BrainyQuote, an extensive collection of quotations by famous authors, celebrities, and newsmakers.*

In general, factual information contained in multiple standard reference works can usually be considered to be in the public domain. The staff nurses, in contrast, are assigned to patients and provide all their nursing care. Penalties are severe. The clinical nurse specialist also orients new staff, mostly by formal teaching. The final paraphrase might look like this: According to Ross , poor children at the turn of the century received little mothering in our sense of the term. Common Knowledge? Most of your paper should be in your own words. Be selective. Moreover, the technique of weaving can help you to produce a tighter argument. Is this article helpful? If in doubt, be cautious and cite the source. Information and Ideas Even if you use your own words, if you obtained the information or ideas you are presenting from a source, you must document the source. It may include facts, theories, or methods that are familiar to readers within that discipline. Information about specific documentation systems The Writing Center has handouts explaining how to use many of the standard documentation systems. You would not read the parenthetical note. On each shift a resource nurse attends to the functioning of the unit as a whole, such as making sure beds are available in the operating room, and also has a patient assignment. The resource nurse is not only a caregiver but a resource to the other caregivers. And in the case of both general and field-specific common knowledge, if you use the exact words of the reference source, you must use quotation marks and credit the source. In the arts and humanities, however, well-chosen quotes are often essential to a good paper. Staff nurses are assigned to patients to provide all their nursing care. This shows that you have fully understood the text and ensures your own voice is dominant. How different must your paraphrase be from the original?
